**Shun Tak, Hongkong Land Proudly Unveil One Central Macau Retail Complex**

*Exclusive shopping centre in the heart of Macau now completed,  
set to become city's #1 luxury shopping destination*

**Hong Kong and Macau, 6<sup>th</sup> December 2009**—Shun Tak Holdings Limited (“Shun Tak”) and Hongkong Land Limited (“Hongkong Land”), two of Hong Kong’s leading property developers, today proudly announced the Grand Opening of One Central Macau, a groundbreaking mixed-used project for the city combining luxury residential, hotel, serviced apartment and retail facilities on a sprawling waterfront site in the scenic Nape Area.

Today’s grand opening launched a new era in Macau’s shopping scene as international brands opened the doors to their luxury duplex and triplex shops, all of which provide discerning shoppers in Macau with the same convenience and quality they have come to expect from CENTRAL in Hong Kong and other fashion capitals such as New York and Paris. The list of tenants at One Central Macau includes brands like Louis Vuitton, Hermès, Gucci, Fendi, Ermenegildo Zegna, Dolce & Gabbana, Dior, Cartier, Bvlgari and Burberry, among many others. Many have opened their first, largest or flagship stores in the 400,000-square-foot, three-level shopping mall.

The 200,000-square-foot site is uniquely positioned in the heart of the city on Nam Van Lake. With a full panoramic view of the waterfront, One Central Macau comprises seven residential blocks of 32 to 38 storeys each as well as an iconic tower designed by world-famous architect Kohn Pedersen Fox, which houses the Mandarin Oriental, Macau and the most unique serviced apartments in the city.

In addition to the architecturally innovative mall’s prime waterfront location and impeccable list of tenants, One Central Macau is also directly linked to the MGM GRAND Macau, already an award-winning lifestyle destination. Together, One Central Macau and the MGM GRAND Macau will serve as an exciting, upscale entertainment hub in this evolving gaming paradise.

Speaking about the development, Ms Pansy Ho, Managing Director of Shun Tak, said, “The completion and grand opening of this fabulous project marks a milestone in Macau and a significant step forward in realising Shun Tak’s vision of contributing significantly to the development of Macau. One Central Macau has been a success from its conception through its opening, combining Shun Tak’s 40 years of experience and knowledge, Hongkong Land’s expertise in retail, and our mutual desire to make One Central Macau one of the premier destinations in the city for luxury and lifestyle experiences on an international level.”

Mr. Y K Pang, Chief Executive of Hongkong Land, said, “Through our partnership with Shun Tak in bringing One Central Macau to life, we were able to leverage a track record of success in developing unique, luxury shopping experiences for consumers that demand the highest level of quality. When embarking on this project, we were committed to re-creating the shopping experience found in Hong Kong here in Macau, and with such eager response from the most prestigious international brands, we can say today without hesitation that we have realised this dream.”

Open just in time for the holiday season, One Central Macau will offer shoppers the ultimate retail and lifestyle experience, with access to entertainment, fine dining, upscale residential buildings, the Mandarin Oriental Hotel and Serviced Apartments, and leading lifestyle and gaming destination MGM GRAND Macau.
